Call for Nominations: Join the WWREA Board

West Wetaskiwin REA was built by rural neighbours who worked together to bring power to their farms. That cooperative spirit continues today. Our REA remains member owned, and our Board of Directors is made up of members who are elected to represent the rural community we serve.

We are now seeking nominations for individuals who want to contribute to the future of the cooperative. If you, or a WWREA member you know, are passionate about the cooperative way and the wellbeing of our service area, we encourage you to consider putting your name forward.

Serving on the Board is an opportunity to help guide the direction of the REA and ensure we remain responsive, reliable, and community focused.

Responsibilities of Directors

It is important to understand the responsibilities of an REA Director for their 3-year term of office.

First, and foremost, Directors must be committed to work for the continued and increased effectiveness in West Wetaskiwin REA's ability to serve its membership and ensure the REA's interests are paramount above any personal gain or position.

Additionally, Directors must devote the time needed to fulfill Director duties including:

- regular attendance at board meetings (currently the BOD meets monthly),
- commitment to read Board materials and come to the monthly meetings prepared to provide input,
- attendance at stakeholder sessions as required, and
- ad hoc representation at forums or committees relating to the REA.

The Nomination Process

Members interested in standing for election as a Director of the West Wetaskiwin REA must declare themselves on or before Wednesday, April 1, 2026. No nominations will be accepted from the floor at the AGM.

Please contact the REA office (780-335-9378) or a fellow Director and you will be connected with the Nominating Committee. The Committee will assist the member in formalizing the respective nomination. Communication support will be provided to create a brief bio that will be posted on the REA website in advance of the AGM. Voting will occur at the 2026 AGM and successful candidates announced.
